

# Be part of the future by preserving the past! Become a member of the Ashby Historical Society today!

Membership means many things. For some, it is a means to support the endeavors of the Ashby Historical Society. For others, it is their opportunity to be directly involved in the activities of the Ashby Historical Society. Many contribute both. Yet all our members do share one thing in common; the appreciation of our little town of Ashby and the desire to preserve its culture, its art, its history and not forget the people whom made it a great place to live and work over the centuries.

For those of limited means, we also offer a working membership, in which for hours donated to the society, membership fees are waived. Junior memberships are for minor children under the age of 18. Junior members have all of the privileges of a regular member, but do not have the right to vote in elections.

Membership benefits include free admission to the Ashby Historical Society museum, free or reduced admission to educational programs and events scheduled throughout the year, quarterly newsletters and a 10% discount on any books or gift items.
